**PLEASE NOTE:** It is the student's responsibility to obtain initial advising and then to follow the prescribed degree program sheet given at that advising session. Any student who needs or desires additional or updated advice should meet with his/her advisor well in advance of the registration dates. If the advisor is unavailable, the student should contact the departmental office. If program changes occur that could result in alterations in degree requirements, student registration clearance flags will be reset to disallow student registration without seeing an advisor.

### STATEMENT OF PHILOSOPHY

The University of Memphis is committed to quality academic advising that fosters student growth and development. The main elements of quality advising consist of promoting the understanding of the aims and purposes of higher education; providing information and resources about the University's programs, opportunities, and requirements; and assisting students in identifying their educational and career goals.

The academic advising process involves many segments of the University community including students, faculty members, professional advisors, counselors, administrative staff, and student peers. Advisors and advisees should seek to integrate the services and expertise of both academic and student affairs professionals.

### REGISTRATION CLEARANCE

**Most degree-seeking students at The University of Memphis must obtain registration clearance from an advisor to register.** Students should contact the appropriate advising area to set up an appointment **well in advance of** their assigned day for registration. While non-degree-seeking students are not required to have registration clearance, those considering future degree-seeking status are encouraged to seek advising.

**The following students must receive registration clearance from an advisor: (1) first time freshmen and transfer students, (2) students on academic probation, (3) students receiving veterans' benefits, (4) students who have not enrolled in required Transitional Academic Studies courses, and (5) participants in varsity sports.**

Any student who needs or desires additional or updated advice should meet with his/her advisor well in advance of the registration dates. If the advisor is unavailable, the student should contact the departmental office. If program changes occur that could result in alterations in degree requirements, student registration clearance flags will be reset to disallow student registration without seeing an advisor.

**Graduate degree seeking students** should contact the department of their major for registration clearance and advising information.

**Graduate education students** assigned to the following departments who are in good standing will be cleared for registration:

**Graduate non-degree students may register without advisor clearance.** Students are encouraged to contact the college in which courses will be taken if there are questions related to courses or prerequisites.

> **NOTE:** There are limitations on the amount of coursework taken as a non-degree student that may be used toward a degree program. Students must sign a Graduate Non-Degree Agreement in Graduate Admissions, 216 Administration Building, before registering for more than one semester of non-degree course work. For additional information, contact Graduate Admissions, 216 Administration, (901) 678-2911.

## Student Responsibility Statement

Students accept both fee and grade liability ***at the time of registration***. To cancel registration, **students must withdraw by August 25 for Full/1st session or by October 18 for 2nd session to prevent academic record or financial liability.** The University does not assume responsibility for canceling registrations for non-attendance or non-payment.

# STUDENT FINANCIAL AID

## Financial Aid for the Fall semester

**A. Current aid applicants** - you have previously completed the 1999-2000 FAFSA (Free Application for Federal Student Aid). **You now need to complete a Renewal 2000-2001 FAFSA either by paper application or through the web at www.fafsa.ed.gov/.**

1. Register for at least half-time credit hours:
   - **Undergraduate students** register for a minimum of **six (6) undergraduate credit hours**
   - **Graduate students** register for a minimum of **five (5) graduate credit hours**
   - **Law students** register for a minimum of **six (6) law credit hours**
2. If you know the amount of Direct Loan you would like to borrow, or if your parents are interested in a Parent Loan (PLUS), complete the 2000-2001 Loan Request Form in this class schedule.
3. All 2000-2001 awards are subject to a review of your academic record at the end of the spring semester.

**B. New applicants for 2000-2001**

1. You must be ACCEPTED or currently enrolled in a degree-program and, if seeking a second bachelor's degree, have declared a major. If you are in a conditional, special admission, or non-degree status, you are not eligible for financial aid.
2. Complete the 2000-2001 Free Application for Federal Student Aid (FAFSA) and mail in the envelope provided. Be sure to list The University of Memphis (Title IV code 003509) in Step 6 on the FAFSA.
3. When your FAFSA is processed, a Student Aid Report (SAR) will be sent to you. Immediately review the SAR for accuracy. If corrections are required, make them on part 2 and submit the corrected SAR to the U of M Student Financial Aid Office. You may be required to submit additional documents before an award can be made.
4. If you know the amount of Direct Loan you would like to borrow, or if your parents are interested in a Parent Loan (PLUS), complete the 2000-2001 Loan Request Form in this class schedule.

**C. Awarding and Disbursing**

1. When all required documents have been received, you will receive a Financial Aid Notification (Award Letter) which you should review. If you need to make any changes, sign and return as soon as possible. Your awards will then be finalized.
2. If your award includes a Direct Loan, you may be contacted about signing a promissory note. Federal regulations require that the loan be divided into two disbursements. Once you sign the note, the first half of the loan will be disbursed the beginning of the loan period and the second half the middle of the loan period.
   **NOTE:** Beginning with the Fall 2000 semester, you may not need to complete a new Master Promissory Note (MPN) for Direct Loans (subsidized and unsubsidized Stafford Loans) assuming you completed an MPN and received loan monies during the 1999-2000 year.
3. Federal regulations require that the first loan disbursement to first-time freshmen be held for 30 days.
4. When financial aid is disbursed, university charges are deducted before any remaining balance is given to you. Refer to the Fee Payment section of this schedule.

**D. Satisfactory Academic Progress** - students applying for or receiving financial aid must meet academic standards in order to establish or retain their eligibility. Refer to the undergraduate bulletin or **www.enrollment.memphis.edu/financialaid**.

**E. Receipt of aid from other source**

In determining a student's eligibility for the need based financial aid programs, all other aid received by the student is counted as a resource and subtracted from the student's budget. This includes external and institutional scholarships, undergraduate and graduate fee waivers, Vocational Rehabilitation, and Veterans' Educational Benefits. Excluded are short-term loans and non-Federal Work-Study employment.

### CLASS ATTENDANCE IS REQUIRED

Faculty will report all students who do not begin or stop attending classes. Students who receive financial assistance may have financial award(s) reduced or cancelled potentially leaving the student personally responsible for a portion of their financial aid award(s) amount.

# STUDENT FINANCIAL AID

## RETURN OF FUNDS - EARNING YOUR FINANCIAL AID

The Higher Education Amendments of 1998 established the concept that financial aid must be earned through class attendance. A student has not earned 100% of their financial aid until he/she has attended more that 60% of the term. The 60% point of the Fall 2000 term is October 31, 2000. **PLEASE NOTE: The withdrawal deadline at The University of Memphis for Fall 2000 Full Session is October 17.** If a financial aid recipient totally withdraws on or before the 60% point of the term, there is a portion of the aid that has not been earned. The unearned portion is repaid by both the student and the school based on a federal formula. The school can use any refund generated by the withdrawal to pay the portion it owes back. However, depending on the time of withdrawal, the student may also be responsible for repaying a portion of his/her fees that had been previously paid by the financial aid.

Students who withdraw through the 60% point of the term will receive at letter indicating how much they are responsible for repaying to the federal financial aid programs and to The University of Memphis.

The following example illustrates the ***Return of Funds***:
Mary withdraws on the fifth day of a term that is 100 days long. She has received a $1,500 Pell Grant that paid her fees of $1,000 and gave her a balance check of $500.

**CALCULATING THE UNEARNED FINANCIAL AID:**
Length of Term = 100 days
Days not attending = 95 (100 - 5)
Total Financial Aid = $1,500
Total Fees = $1,000
Percent of aid unearned = 95 (95/100)
Total Unearned Financial Aid = $1,425 ($1,500 x 95%)

**CALCULATING THE REPAYMENTS:**
The **University must repay** the lesser of the total unearned financial aid, or the total fees multiplied by the percent of aid unearned.
Total financial aid to be repaid by the University = $950 [$1,000 (fees) x 95%]

The **student must repay** to the University any remaining balance of fees after the reduction of the grant. Because Mary withdrew during the University's refund period, the fees are reduced as shown.
Adjusted fees = $250 [$1,000 - $750 ($1,000 x 75%)]
Fees to be repaid by student = $200 ($250 - $50 the portion of the original fees paid by Pell Grant)

The amount each student owes must be calculated based on the date of withdrawal, the amount of financial aid received, and the programs of financial aid received.

The Higher Education Amendments of 1998 specify the following order in which any unearned amounts are to be returned to Title IV financial aid programs: Federal Direct Loan Programs (unsubsidized then subsidized); Federal Perkins Loan Program; Federal Direct PLUS loans; Federal Pell Grant Program; Federal SEOG Program; any other programs funded by Title IV including the Tennessee Student Assistance Program; other federal, state, private or institutional aid programs. Any amount remaining after the applicable programs have been fully repaid is returned to the student.

# *Federal* Direct Loan Request • 2000-2001

## *Fall* 2000, *Spring* 2001

### *What is a Federal Direct Loan?*

The Federal Direct Loan Program is a cooperative effort between the federal government and educational institutions.

- The federal government provides the loan funds.
- Schools determine the loan amount based on at least half-time enrollment (6 undergraduate credit hours for undergraduate students, 6 law credit hours for law students, 5 graduate credit hours for graduate students), confirm eligibility, and determine the loan period.

Direct Loan provides funds to help you meet your educational expenses. However, unlike gift aid, loans must be repaid. Federal Direct Loans are offered in two forms; subsidized and unsubsidized.

- ***Subsidized:*** You will not be charged any interest while you're in school (as long as you remain at least a half-time student) and during grace or deferment periods. The federal government "subsidizes" the interest during these periods. Your interest begins to accrue and repayment of the principal begins six months after enrollment in an educational institution ceases.
- ***Unsubsidized:*** You are responsible for your interest. Your interest accrues within sixty days of disbursement and may either be paid while you are in school or capitalized and added to the principal loan amount borrowed. As with subsidized loans, principal repayment begins six months after enrollments in an educational institution ceases.

**ACADEMIC YEAR LOAN LIMITS**

| | Base Loan Sub/Unsub | Extended Loan Unsub only * | Total Loan |
|---|---|---|---|
| Freshman | $2,625 | $ 4,000 | $ 6,625 |
| Sophomore | $3,500 | $ 4,000 | $ 7,500 |
| Junior | $5,500 | $ 5,000 | $10,500 |
| Senior | $5,500 | $ 5,000 | $10,500 |
| Graduate | $8,500 | $10,000 | $18,500 |

* available to independent students

*Your Total financial aid, including Federal Direct Loans, can never exceed your cost of education.* The limits indicated are the federal maximums which you can receive during two terms of enrollment.

There are aggregate loan limits, in addition to annual loan limits. Students may never borrow more than the aggregate loan limit for all subsidized and unsubsidized loans at The University of Memphis and other schools.

**AGGREGATE LOAN LIMITS**

| | Base | Base plus Extended |
|---|---|---|
| Undergraduate | $23,000 | $ 46,000 |
| Graduate | $65,500 | $138,500 |

Every Federal Direct Loan period is required to have two disbursements:

*The beginning and mid-point of the term for one-term loans, or the start of each term for two term loans.*

New freshmen borrowers receive their first disbursement after attending class for 30 days.

If you do not need to borrow the maximum amount, you can choose to borrow less.

In deciding the appropriate amount, you should follow these steps.

1. What are your costs for an academic year? Add your costs together for tuition / fees, room and board, books and supplies, transportation and personal expenses.
2. Subtact your resources from these costs. Consider all aid and private scholarships you have received as well as money from savings and your family.
3. Decide if you **need** to borrow. Before you borrow funds, are there other resources available to you? Review your expenses to see if you can reduce your costs.
4. Consult the repayment chart below. What will be the monthly payments be if you borrow this amount? Remember to consider what you may borrow in future years.
5. Select the amount that you can manage to repay. What you borrow today, must be repaid, with interest, in the future. Remember to be as conservative as possible when borrowing funds.

**REPAYMENT CHART**

Your educational borrowing will have an effect on your future life-style. You need to be aware of what your monthly loan payments will be **before** you commit to that loan amount. Your loan repayment period will not exceed ten years and will require a minimum monthly payment of $50.00. Based on an 8% interest rate, you can expect to make these payments for ten years. Each time you borrow, review the sample loan repayment chart below.

| Total Borrowed | Monthly Payment |
|---|---|
| $ 5,000 | $ 61.00 |
| $ 10,000 | $ 123.00 |
| $ 30,000 | $ 368.00 |
| $ 50,000 | $ 613.00 |
| $100,000 | $1,227.00 |

See the other side for the Direct Loan Request Form.

If you responded "yes" to the student loan question on your FAFSA, you will be **offered** the maximum amount of subsidized and unsubsidized loan for which you are eligible. Only use this form if you want a student loan, **and/or** if you want to borrow **less** than maximum, **or** you do not want to borrow an unsubsidized loan (interest on unsubsidized loans accrues while you are in school and during your six month grace period).

## REGISTRATION LOANS

Students who are unable to satisfy enrollment fees in full by the fee payment deadline may apply for a short-term University registration loan. Students must be registered for a minimum of three (3) credit hours and be in good financial standing with the University in order to qualify for a registration loan.

Students may apply for a registration loan at Bursar's Satellite Office in the University Center Ballroom from 9:00am to 6:00pm as follows:

- **Students who enroll during Regular Registration on *August 23-25, 2000***
- **Students who enroll during Late Registration on *August 28-31, 2000***

See **WHEN TO PAY** section for specific fee payment deadlines.

A non-refundable loan processing fee of $10 (per semester) will be assessed to each student who is approved for a registration loan. The maximum loan amount will normally be one-half (1/2) of the student's maintenance fee assessment. However, students approved for a registration loan may also be eligible to enroll in the University's Deferred (Installment) Payment Plan for the remaining one-half (1/2) of their maintenance fee assessment.

**Registration loans normally will not be made for the student's loan processing fee, student activity fee, out-of-state tuition, late registration fee assessments, or any other amounts due the University.**

Registration loans must be repaid in full no later than December 1, 2000. A $25 Late Payment Fee will be assessed if any portion of the loan balance remains unpaid after the due date. The registration loan balance (including accrued interest) will remain payable even if the student withdraws from the University, except for any normal University refund which may reduce the loan balance due.

***Registration loan amounts due must be paid by the due date in order to participate in the course selection process and/or use the Registration Loan Program for future terms.***

Registration loan payments should be mailed to **The University of Memphis, P.O. Box 1000, Dept. 313, Memphis, TN 38148-0313.**

Students will be billed for any added course(s) fees and **will not be deleted** from the added course(s) for failure to pay by the normal fee payment deadline.*

1. Students in good financial standing with the University **who are enrolled for a minimum of three (3) credit hours** are eligible to participate in the University's Installment Payment Plan.
2. Students may defer **up to 50% of their total enrollment/housing fees** (other University fees and/or charges cannot be included under this plan).
3. **An initial down payment of 50%** of a student's enrollment/housing fee balance (after all financial aid, scholarship, and/or third party assistance award amounts have been applied) **PLUS an enrollment fee of $10** (per semester) is required for participation in the Installment Payment Plan.
4. The remaining fee balance is due in two separate installments; one-half (1/2) is due by **October 1, 2000,** and the remaining amount is due by **November 1, 2000. Students remain responsible for the installment payments by the appropriate deadline even if they do not receive an invoice.**
5. **A $25 Late Payment Fee** will be assessed on each installment that is *not received* by the University on or before the due date.
6. **The amount of fees deferred will remain payable even if a student withdraws from the University** except for any normal University refund, which may reduce the amount due.
7. All installment amounts due must be paid by the due dates in order to participate in the course selection process and/or use the Installment Payment Plan for future terms.

Refunds beyond the specified dates/percentages indicated above will not be made for reasons such as employee conflicts, health or medical problem, moving out of town, or other reasons beyond the University's control or responsibility. The refund percentage is NOT calculated on the amount of payment, but rather on the student's total enrollment fees assessment. Refunds will be processed and mailed to students **beginning approximately ten (10) days after classes begin.** The University will offset against proposed refunds any amount owed by the student to the University.

It is expected that a check or credit card draft given to the University for any reason will be honored by the bank on which it is drawn. Any check or draft dishonored by the bank on which it is drawn may be presented a second time at the discretion of the University. A $20.00 returned item fee will be assessed for any check/draft returned.

The privilege of making payments to the University by personal check and check cashing privileges will be revoked for any student who has had more than one returned check/draft within a twelve month period. The suspension of this privilege will be for a period of one year from the date the last item is redeemed.

**APPEALS OF UNIVERSITY FEES/CHARGES AND REFUNDS**

Any individual may appeal the assessment, application, calculation, collection, or interpretation of any University fee, charge, deposit, or refund. The University has developed the following processes for an appeal:

**Traffic Fines/Citations** – Traffic fines and citations may be appealed through a separate process on forms available from the Parking Office, Office of Judicial Affairs, or the Student Government Association Office.

**Residence Life** – Appeals related to Residence Life financial matters should be filed first with the Office of Residence Life for review within their process. Decisions of the Office of Residence Life may be appealed in writing to the Office of the Assistant Vice President of Student Affairs and Dean of Students. This decision may be appealed to the University Fee/Refund Appeals Committee.

**All other University Fees/Charges, Refunds, Etc.** – A written appeal of all other financial matters should be filed first on forms available in the Bursar's Office, 176 Administration Building. Decisions of the Bursar's Office may be appealed in writing to the Office of the Associate Vice President for Finance. The Bursar's Office will forward any appeals which they cannot address to the Office of the Associate Vice President for Finance.

The Office of the Associate Vice President for Finance will provide a decision in writing of those matters appealed to that office. This decision may be appealed to the University Fee/Refund Appeals Committee. The recommendation of the Committee will be forwarded to the Vice President for Business and Finance for a final decision, which will conclude the University's appeal process.

The listing of any fee or incidental charge in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect for the semester for which he or she registers. All questions in regard to fees, fee payment, refunds, and appeals should be directed to the Bursar's Office, 176 Administration Building or by calling the Bursar's Office at (901) 678-5579.

Fees are subject to change without notice. The University will usually collect the amount of fees due at the time of enrollment in accordance with the residency classification and fee rates in effect. After all enrollments are complete, any over-collections will be refunded and students will be billed for any under-collections.

Fees for AUDITING courses are assessed on the same basis as fees for credit courses. Courses offered between terms, for a concentrated period during a term, or at specific locations may be subject to fees on a per-hour basis only.

## CLASS ATTENDANCE

**Students who do not attend courses are responsible for processing an official withdrawal on TIGERWEB or STRIPES. In order to avoid fee or grade liability, students must withdraw or drop prior to the first day of classes for the session in which the course(s) is taught.**

- **Students who stop attending during the semester** will be assigned a grade of "F" for that course, and the last known date of attendance will be reported.
- **Students who are absent from the final examination** without the permission of the teacher incur a grade of "F" on the examination and may, depending on the weight of the examination in determining the final grade, incur a grade of "F" for the course.
- **Students who receive VA benefits or Title IV funds for enrollment fees** are subject to cancellation of future awards and immediate repayment of these benefits if they stop attending whether or not they officially withdraw or drop a course.
- **Class attendance may be used in computing grades** at the discretion of the instructor. If attendance is to be used, a complete written statement of the instructor's policy detailing the weight of attendance in determining the final grade must be presented to all students present at the first and second meetings of the class.

## CLASS CANCELLATION & INCLEMENT WEATHER POLICY

***Telephone (901) 678-0888 to find out about closings due to inclement weather.***

In the event that inclement weather requires the cancellation of classes and/or campus activities, local radio and television news media will be immediately notified for dissemination, as they deem appropriate. Such closing decisions will also be given to University vice presidents for dissemination through the notification system in place for each division. Cancellations will not apply to administrative offices. Each faculty and staff member and each student is expected to recognize that inclement weather creates conditions more dangerous than normal. Therefore, each person is expected to exercise a high degree of care to avoid accidents. All non-teaching employees who do not report to work during inclement weather will be considered in an annual leave or leave without pay status for the period of their absence. (University Procedure 2A: 16:01A)

## COURSE LOAD LIMITATIONS - MAXIMUM NUMBER OF HOURS WITHOUT DEAN'S APPROVAL

### COURSE LOAD LIMITATIONS

| SESSION | UNDERGRADUATE | GRADUATE |
|---|---|---|
| Full | 20.5 | 15 |
| First or Second | 10 | 7 |

Students must have approval from the appropriate official in their degree-granting college for hours in excess of the maximum (concurrent enrollment at other colleges is included). Overload requests for approval should be made well in advance of registration.

## CREDIT/NO CREDIT

Undergraduate students who have a 3.0 average and 60 semester hours, with permission of the dean of their college, may elect to take some courses on a credit/no credit basis. Students should pick up the Permission of Department Permit from the department, obtain appropriate signatures (including their academic advisor and dean) and bring the permit to Student Information Services, 119 Administration Building to be processed.

## DISABLED AUDIT or CREDIT REGISTRATION

Tennessee residents who have a permanent and total disability which totally incapacitates them from working at an income producing occupation, may **AUDIT** courses without paying tuition charges, maintenance fees, student activity fees, or registration fees. They may enroll for **CREDIT** at the cost of one-half the normal per credit hour fee, not to exceed $75.00 per semester. Enrollment for audit or credit will be limited according to space availability.

**PLEASE NOTE: Students must contact Registration Services (901) 678-2676 after they register to obtain tuition reduction.**

Applicants for this program must present medical information to University Health Services documenting a permanent and total disability. The University physician examines the documentation and determines eligibility. If the applicant is eligible for State Vocational Rehabilitation Services, which by their nature and definition are designed for individuals who have potential for employment, the applicant would not be eligible for the free audit or reduced fee benefit. Eligibility for this program applies only from the time of approval by the University physician and is not retroactive. Direct all inquiries regarding this program to Registration Services, 115 Administration Building, (901) 678-2676.

## GRADE REPORTS/ACADEMIC STATUS

Current semester grades may be obtained on TIGERWEB www.tigerweb.memphis.edu or on STRIPES (901) 321-7000.

### Withholding of Grade Reports

The University is required by State law to withhold grade reports, transcripts and diplomas from students who have outstanding financial obligations to the University. When financial obligations have been resolved, students may obtain their grades on TIGERWEB www.tigerweb.memphis.edu or on STRIPES (901) 321-7000.

## PRIVACY RIGHTS OF PARENTS & STUDENTS - NOTICE TO STUDENTS

The University of Memphis intends to comply fully with the Family Education Right and Privacy Act of 1974 and its subsequent amendments. A complete copy of the procedure may be obtained in the Office of the Registrar.

### Directory Information

"Directory Information" is defined as: the student's name, address, telephone listing, e-mail address, major field of study, date and place of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's enrollment status (number of enrolled hours, full-time or part-time status), and the student's classification (level).

### Restricted Release of Directory Information

After registering for courses, a student may personally complete a written request in 115 Administration Building that directory information not be released. Such information will also be withheld from the campus telephone directory if the form is completed within the first two weeks of classes. NOTE: The campus telephone directory is published in the fall semester.

### Access to Records

To gain access, the student must request the custodian of the records to allow perusal of the education record according to the University Procedure for Student Records Access, which contains a list of the custodians of the records. A student must present proper identification in support of his/her request. Parents of dependent students as defined in the Internal Revenue Code Section 152 may obtain access to a dependent student's record after presenting appropriate documentation.

### Review, Amend, Consent To Release Records

Students and eligible parents have the right to review education records, request amendments to the record, file a complaint related to the University's compliance with the requirements of the Family Educational Rights and Privacy Act (FERPA), and provide consent for release of personally identifiable information according to University Procedure 2E: 30:01A. Release of personally identifiable student education records (other than directory information) is not permitted without written consent of the student to any party other than those specified by FERPA (e.g., the University does release education records to officials of other schools in which the student seeks or intends to enroll or has previously been enrolled).

## PROBATION/SUSPENSION - UNDERGRADUATE

### *ACADEMIC STATUS AND RETENTION*

Students can obtain their current semester grades/academic status on TIGERWEB www.tigerweb.memphis.edu or on STRIPES (901) 321-7000. A complete statement of the University's academic status and retention policy may be found in the Bulletin. Specific questions concerning academic probation/suspension should be directed to the Academic Status Office, 117 Administration Building, (901) 678-2393.

Regardless of academic status, students will be allowed to register for classes for the following term. However, students whose grades result in an academic suspension will be automatically withdrawn from the University before classes begin. If the grade report indicates suspension, a student is required to remain out of the University the following semester. If the suspension occurs at the end of spring semester, the student must remain out of the University the summer session and following fall semester.

### UNDERGRADUATE ACADEMIC RETENTION SCALE

| Quality Hours | Minimum GPA |
|---|---|
| 0 - 14.99 | No Minimum |
| 15 - 29.99 | 1.40 |
| 30 - 50.99 | 1.70 |
| 51 - 67.99 | 1.90 |
| 68 and above | 2.00 |

### *TRANSITIONAL ACADEMIC STUDIES*

Students can obtain their current semester grades/academic status on TIGERWEB www.tigerweb.memphis.edu or on STRIPES (901) 321-7000. Students whose grades result in an academic suspension will be automatically withdrawn from the University before classes begin for the next semester. TRAC suspension requires one semester time out of the University prior to readmission. Students may appeal the suspension. TRAC suspension questions should be directed to Transitional Academic Studies, 203 Administration Building, (901) 678-2028.

## REPETITION OF COURSES

A student may not attempt the same course more than three times for the purpose of obtaining a passing or higher grade. The dean of the college from which the student intends to graduate may make exceptions to this limitation. Exceptions must be approved prior to the student's registration for the fourth and any subsequent attempts of the same course. The student's grade point average will be computed as follows:

| Number of Attempts | Grade(s) Included in Computation |
|---|---|
| 1st | Original grade earned |
| 2nd | Only grade in 2nd attempt |
| 3rd and subsequent | Grade earned in 2nd and subsequent attempts |

**The record will continue to reflect all grades earned in the same course.**

# ACADEMIC POLICIES & PROCEDURES

**SENIOR CITIZEN AUDIT / CREDIT REGISTRATION**
Persons who will become sixty (60) years of age during the academic semester in which they begin classes, and who are domiciled in Tennessee, may **AUDIT** courses without paying tuition charges, maintenance fees, student activity fees, or registration fees. Permission to AUDIT will be limited according to space availability.

Persons who will become sixty-five (65) years of age prior to or during the academic semester in which they begin classes and who are domiciled in Tennessee, may enroll in courses for **CREDIT** at the cost of one-half the normal per credit hour fee, not to exceed $75.00 per semester. **PLEASE NOTE: Students must contact Registration Services (901) 678-2676 after they enroll to obtain tuition reduction.**

**STUDENTS WITH DISABILITIES**
Eligible students with disabilities may register prior to their assigned time so adequate plans can be made for disability related needs and academic accommodations. The Office of Student Disability Services (SDS) mails detailed early registration instructions to students registered with their office. Other students with disabilities are encouraged to contact the SDS office for eligibility information.

Registration is available from any touch-tone telephone as well as the web. Students who are unable to register either by telephone or web, may go to Student Information Services, 119 Administration Building, for personal registration assistance. Students must comply with the advising procedures established by their college and/or department before registering.

For further information, please contact Student Disability Services, 215 Scates Hall, (901) 678-2880 (Voice and TDD).

**TRANSCRIPT REQUESTS**
The University of Memphis requires written authorization from the student to release transcripts. Transcripts may be requested in person (143 Administration Building), by mail or by FAX (901) 678-3249. Include the following information with the request: complete name, former names, Social Security Number, birth date, current address, first and last years of attendance, address(es) where transcript is to be mailed, number of copies to each address. **Sign and date the request.** There is no fee for transcripts; however, a transcript will not be released if the student has not satisfied all obligations to the University. Direct questions to the Transcript Office at (901) 678-3927.

**TRANSFER CREDIT/U of M STUDENTS**
After admission to The University of Memphis as a regular undergraduate, students must consult with their advisor and the Undergraduate Admissions Office if they anticipate enrolling at another college or university for the purpose of transferring credit to The University of Memphis. A Transfer Credit Request form must be completed. For completed additional undergraduate course work to be transferred from another university, the student must request that an evaluation be completed by Undergraduate Admissions, (901) 678-2111. For information about the transfer of graduate credit, contact The Graduate School, 317 Administration Building, (901) 678-2531.

**WITHDRAWAL PROCEDURES**
Students who register and are unable to attend the semester must formally process a withdrawal prior to the first day of classes to avoid having an academic record (official term grades recorded). Failure to officially withdraw will result in grades of "F" for the courses in which the student is enrolled. Courses dropped after the last day to add will be graded "W" (for withdrawn).

Withdraw on **TIGERWEB** www.tigerweb.memphis.edu or **STRIPES** (901) 321-7000. Students must know their PIN (Personal Identification Number) and call numbers to process withdrawals.

Refer to ***Semester Calendar*** in this publication for specific dates to withdraw.

**The University of Memphis - Statement of Mission**

The University of Memphis is a member of the State University and Community College System of Tennessee and is governed by the Tennessee Board of Regents. As an urban university, The University of Memphis provides a stimulating academic environment for its students, including an innovative undergraduate education and excellence in selected research areas and graduate programs. The academic environment extends beyond the campus boundaries to encompass the entire community.

Education is enhanced through exposure to diversity in the composition of the student body, faculty, staff and administrators; including women, minorities, individuals with disabilities and various age groups and religions. The University has responded to the challenging responsibility of being located in a culturally diverse region by developing a unique blend of teaching, research and service that contributes to the growth of the Mid-South region.

Teaching brings the benefits of scholarship and research to students and through them to the people of the area. The University of Memphis asserts that excellence in teaching traditional and non-traditional students is its central responsibility. A comprehensive undergraduate education, grounded in the arts and sciences, develops intellectual, cultural and ethical qualities in its students. The innovative General Education Program challenges students to develop the analytical and critical skills necessary for lifelong learning. The University of Memphis offers masters and doctoral degrees in selected graduate programs as well as degrees in the major professional areas. Through learning begun at The University of Memphis, graduates compete in the global intellectual community in which they live.
As a research university, The University of Memphis develops, integrates, disseminates and applies knowledge. Faculty maintains ongoing programs of basic and applied research or creative activities appropriate to their disciplines. The University's urban environment provides a rich opportunity for research and creative scholarship, and for the use of that scholarship in the intellectual and cultural development of the region. The University's commitment to fostering a research and creative environment harmonizes with the other aspects of its mission.

The University of Memphis fulfills its outreach mission through its contributions to professional organizations and to the needs of the community. The University promotes intellectual, cultural and community development through, for example, its artistic programs, lecture series, technical assistance, continuing education and intercollegiate athletic programs.

The University of Memphis, through its research, teaching and outreach roles, responds to individual needs, such as the support of health care and preventive health services. The University addresses broader issues as well, for instance, K-12 education, economic development, environmental initiatives, international programs, computing and telecommunications.

# I said to myself, "Is this all there is?"

A few months into his first job after college, Gary Van Deurse needed a break from his nine-to-five routine—a way to feel "useful and alive." Gary found his answer in AmeriCorps. During his year of service in a rural community, he helped improve the lives of families who needed education, affordable housing, and other support. Looking back, Gary says, "Joining AmeriCorps is the best thing I've ever done. AmeriCorps challenged me, opened my eyes, and gave me new skills and new energy."

## Tips for Increasing Energy & Decreasing Fatigue

**MAINTAIN A BALANCED DIET.** Protein, fat and carbohydrates should be included in each meal - this balances blood sugar and promotes steady energy flow.

**REDUCE CONSUMPTION OF SUGAR & WHITE FLOUR.** These foods tend to unbalance blood sugar levels and give only quick and short bouts of energy.

**MINIMIZE USE OF STIMULANTS (CAFFEINE, ETC).**

**AVOID STRESS.** Energy should be saved for when you really need it.

**GET PLENTY OF SLEEP.**

**TAKE BREAKS.** Relax, stretch and focus on breathing.

# MISCELLANEOUS INFORMATION

## EXPOSURE TO HAZARDOUS CHEMICALS AND RADIOACTIVE MATERIALS

During the course of the semester, some classes and laboratories may use hazardous chemicals, radioactive materials or radiation producing equipment.

Prior to enrolling for classes each semester The University of Memphis recommends that students with health concerns or conditions seek private medical advice about the appropriateness for them to enroll in classes and laboratories using hazardous chemicals, radioactive materials or radiation producing equipment. The state of the art at this time is not sufficient to provide complete information about all possible side effects and health hazards, known and unknown, which could develop from the exposure to and use of such hazardous chemicals, radioactive materials and radiation producing equipment.

During regular University business hours Material Safety Data Sheets (MSDS) for hazardous chemicals are available for review through the office of the chair of the department in which such chemicals are used. MSDS are also available for review in the Environmental Health and Safety Office, 216 Browning Hall. Information about exposure from radioactive materials and radiation producing equipment may be obtained from the Radiation Safety Officer.

The VA places restrictions on those receiving veteran's educational benefits. Some of these restrictions include regular class attendance, satisfactory academic progress and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (this includes transfer credit), or for elective courses in excess of those needed to meet graduation requirements.

A. Investigation

1. Any student, applicant for employment or employee who believes he or she has been subjected to harassment at The University of Memphis shall present the allegation to the designated EEO/AA Officer or Assistant Dean for Judicial Affairs responsible for compliance with Title VII of the Civil Rights Act of 1964, Title VI, or Title IX of the Education Amendments of 1972.
2. Every attempt will be made to get the aggrieved party to provide the allegation in writing. The allegation shall include the circumstances giving rise to the allegations, the date of the alleged occurrences, and names of witnesses, if any. The allegation shall be signed by the aggrieved individual. However, where the aggrieved individual refuses to provide or sign a written allegation, the allegation will still be investigated, and recommend to the President appropriate action. Allegations made anonymously or by a third party must also be investigated to the extent possible. Based on the findings of this investigation, the EEO/AA Officer may recommend to the President appropriate action that may or may not be the steps outlined in the remaining paragraphs of this guideline.
   If there is insufficient evidence to corroborate the allegation(s) or, in any situation in which the alleged victim refuses to cooperate in the investigation, it may be appropriate to discuss the allegation with the alleged harasser, informing him or her that s/he is not being accused of a P-080 violation, but that the conduct alleged could be found to violate this guideline. Any investigation and subsequent discussion should be documented and a report submitted as set forth in this procedure.
3. The Office of General Counsel shall be notified of the allegation, whether written or verbal, as soon as possible after it is brought to the attention of the EEO/AA Officer or Assistant Dean for Judicial Affairs and the investigation will be under the direction of the General Counsel. On campus legal assistance shall be forwarded a notice of the allegation.
   Where a student is the party against whom a complaint is made, all documentation shall be subject to the provisions and protections of the Family Educational Records and Privacy Act (FERPA).
4. The EEO/AA Officer or Assistant Dean for Judicial Affairs shall notify in writing the alleged harasser within five (5) working days of receipt of the allegation. The alleged harasser shall respond in writing to the allegation within five (5) working days of notification. The alleged harasser should be notified that any retaliation against the accuser is strictly prohibited regardless of the outcome of the P-080 investigation and may, in itself, be grounds for disciplinary action.
5. The EEO/AA Officer or Assistant Dean for Judicial Affairs may meet with both parties for the purpose of resolving the charge informally. If informal resolution is successful in resolving the complaint, a report of such, having first been reviewed and approved by the Office of General Counsel, shall be submitted to the President.
6. A report shall be submitted to the President and the parties within twenty (20) working days following receipt of the allegation. Each report shall outline the basis of the allegation, including the dates of the alleged occurrences, the response of the alleged harasser, the findings of the EEO/AA Officer or Assistant Dean for Judicial Affairs and all attempts to resolve the allegation informally and recommendations regarding disposition of the allegation. If following an investigation the EEO/AA Officer or Assistant Dean for Judicial Affairs finds there is no substantial evidence to support the charge, the parties shall be so advised in writing.

7. The President shall review the report and make a final determination as to whether a violation has occurred and, if so, what the appropriate resolution should be.

   If the investigation reveals evidence to support the allegation, the President may meet with the charged party and/or the aggrieved party and attempt to resolve the problem by agreement. Appropriate steps must be taken to ensure that the harassment will not reoccur. The charged party shall be advised of his/her right to a hearing pursuant to the procedures set forth below. An alleged harasser may request a hearing within ten (10) days following receipt of the report.

B. Hearing
   1. If the charged party requests a hearing, he or she shall be advised of hearing procedures available under Board of Regents Policy No. 1:06:00:05, Uniform Procedures for Cases Subject to Tennessee Uniform Administrative Procedures Act, and of the established The University of Memphis procedures available for resolution of the matter in question. The party requesting a hearing shall be given the opportunity to elect the procedures pursuant to which the matter shall be heard.
   2. When an individual elects to proceed under the established The University of Memphis procedures for resolution of the matter, the election should be in writing and signed by the individual making the election and should expressly waive the procedures available under the TUAPA as to the matter in question. When a party elects to proceed pursuant to established institutional procedures, these procedures shall include the following minimal requirements:
      a. Notice of the charge to the party or parties.
      b. The right of the party or parties to present his or her case.
      c. The right to be accompanied by an advisor.
      d. The right to call witnesses in his or her behalf.
      e. The right to confront witnesses against him or her.

      In addition, in any case where the President makes a decision which is adverse to the charge or claim of either party, the President shall advise the person of any right of appeal provided by TBR policy.
   3. Individuals electing to proceed under the TUAPA shall be referred to the appropriate University of Memphis official responsible for commencement of actions under the TUAPA as provided in Board Policy No. 1:06:00:05.
   4. When an allegation involves a tenured faculty member, the same informal and formal procedures set out above shall be utilized. Tenured faculty members shall have the same right to elect hearing procedures as set out herein. However, where the investigation results in a finding that the harassment policy was violated and the President concurs with that finding and determines that the harassment constitutes adequate cause for termination, then the matter will proceed directly to a hearing under either The University of Memphis policy for termination of tenure or TBR policy 5:02:03:00.

## RIME AWARENESS & CAMPUS SECURITY ACT OF 1990

The University of Memphis Procedure No. 2D: 06:01A provides that all suspicious and/or criminal activity should be reported to the Department of Public Safety, which is open 24 hours a day. Reports of such activity may be made in person to a member of the Department of Public Safety at the office (155 Administration Building), to any Officer on campus patrol, by telephone (678-4357 or MSU-HELP), or from any campus emergency telephone located at various sites across campus and in the lobbies of most academic buildings.

The campus and facilities of The University of Memphis are restricted to students, faculty, staff, guests and invitees of the University, except when all or part of the campus, its buildings or facilities are open to the general public for a designated time and purpose. Individuals loitering on campus without a legitimate purpose as specified above are issued trespass warnings and directed to leave campus; failure to comply with the warning will result in arrest.

The main lobbies of residence halls are open from 7:00 a.m. to 12:00 midnight each day. After midnight, the residence hall lobbies are restricted to student residents and Residence Life staff. Visitation hours are established by a two-thirds majority of the residents of each individual hall at the beginning of each Fall semester. In any case, visitation hours may not exceed 12 hours (12:00 noon to 12:00 midnight) on weekdays and 14 hours (12:00 noon to 2:00am) on weekends. For more information concerning the residence hall visitation policy, consult the Residence Hall Application Reservation brochure available in the Office of Residence Life and Visitor Information Center.

The Department of Public Safety employs 30 commissioned peace officers. University Police Officers attend a basic police academy and an annual in-service training program in conformance with the requirements of the Tennessee Peace Officers' Standards and Training Commission. The University Police Officers' commission authorizes them to enforce state law on campus and on contiguous streets, and to investigate crime occurring on campus or against the University.

Students are encouraged to promptly report crime and suspicious activity through various crime awareness and prevention programming sponsored by the Department of Public Safety and the Division of Student Affairs, including New Student Orientation and Residence Life programming. Students are further encouraged to report criminal activity as outlined in various University publications, including the Student Handbook and the Campus Safety and Security brochure.

4. The Department of Public Safety and the Division of Student Affairs sponsor on-going programming on crime prevention and safety awareness. Programming includes skits, videos, self-defense presentations and discussions presented to various student organizations and groups, resident students, and new students during orientation. This programming, as well as literature published by the University, encourages students to adopt safe behaviors and attempts to foster a sense of personal responsibility for safety among all members of the campus community.
5. The Memphis Police Department is notified of all felony crimes that occur on campus. Any sexual assault of a university student that is reported to the Department of Public Safety is also reported to the Memphis Police Department, whether the offense occurred on or off campus. The Tennessee Bureau of Investigation is also notified of any criminal activity deemed to be of special interest.
6. The sale, consumption or possession of alcohol or illegal drugs is prohibited on the campus of The University of Memphis and at any University sponsored student activity. Violators of this policy are subject to arrest and disciplinary action by the University. Further information regarding the University's policy on alcohol and drug use is contained in the Student Handbook in the sections entitled "The University of Memphis's Position on Drug and Alcohol Use", "Residence Life", and "The Code of Student Conduct" and in this schedule of classes.
7. This exclusion includes individuals who have obtained permits to carry concealed weapons from the State of Tennessee or any other entity.

## PARKING REGULATIONS

The U of M Parking Office is located at 120 Zach Curlin Parking Garage. Office hours are Monday - Thursday, 7:00am - 6:00pm, and Friday, 7:00am - 4:30pm. Please note: Hours may differ during U of M's student registration periods. Contact the Parking Office at 678-2212 for specific operating hours.

**Campus Traffic and Parking Regulations** are available in the Parking Office, 120 Zach Curlin Parking Garage, the Office of Judicial Affairs, University Center, and the Visitor's Information Center located at the corner of Patterson and Central.

Every vehicle parked on campus property must have a parking permit (hangtag) properly displayed. Parking meters have been placed in parking lots around the University for the use of visitors. Parking permits (hangtags) are designed to hang from the inside rearview mirror post but may be transferred to a replacement vehicle when the registered vehicle is not available. A temporary parking permit (hangtag) must be purchased from the Parking Office when you forget to transfer the regular hangtag. Parking permit fees range from $19 - $200 based on the level of parking desired. **If you lose your hangtag, a replacement fee of $10.00 will be charged. A lost or stolen permit (hangtag) must be reported to the Parking Office.** For additional information, telephone the Parking Office at 678-2212.

**Parking lots** are Priority (gate access), Reserved, General, Resident or Visitor. All University owned streets are reserved for Resident or Visitor parking. A parking sign is erected at the entrance to each lot and University owned street indicating the use of that lot or street.

**Priority (gate access) lots** have a limited number of spaces. These spaces are sold for either day or evening use and a parking space is virtually guaranteed. Applications for gate access parking are available in the Parking Office or in the Fee Payment Center during registration. Resident students may charge resident parking fees on their university account during dorm check-in.

Vehicles must be parked within parking spaces delineated by white lines. Improperly parked vehicles may be towed at owner's expense. The issuance of a parking permit (hangtag) does not guarantee a parking space on University property. The inability to locate a legal parking space does not diminish the responsibility to park in accordance with University parking regulations.

**Visitor parking** is provided in spaces where parking meters are installed in various locations around campus or in the Parking Garage located at Deloach and Norriswood Streets. Visitor Parking Permits (hangtags) are available at the Parking Office or Visitor Information Center for a fee of $1.00 per day.
